707 RCACS – FALL AIRCREW SURVIVAL FIELD TRAINING EXERCISE

SITUATION

1. One of the aims of the Air Cadet Moment is to introduce cadets to the element of aviation. By participating in the activities provided in an indoor setting cadets will develop knowledge in the air element and aviation.

MISSION

2. Cadets and staff from 707 RCACS, will participate in a two-day Night Ops (CAF Familiarization) to validate training POs 13X, 23X, 33X, 43X (Elemental Training) at Canadian Warplane Heritage Museum from 1640 hrs on 24 Feb 24 to 1330 hrs 25 Feb 24.

GENERAL OUTLINE:

The exercise is an overnight event and will be conducted in Ten (9) Phases.

Phase	Date	Notes
Phase 1: Planning		Complete NLT 16 Jan 2024
Phase 2: Squadron Arrival & Check-In	24 Feb 24	Cadets arrive at pickup point and report for check-in, kit, and health card check.
Phase 3: Squadron Deployment	24 Feb 24	Cadets and Staff are transported by bus to the training site.
Phase 4: Arrival Briefing	24 Feb 24	Cadets will receive an Operations Order Briefing for the Night Ops including pertinent DND/CF policies on Safety, Environmental Stewardship, Harassment; and Personal Conduct.
Phase 6: Training	24-25 Oct 24	Night Ops training commences on arrival and is delivered in accordance with the schedule provided in ANNEX C;
Phase 7: Tear Down	25 Oct 24	Cadets will de-camp, load personal kit, and complete an environmental sweep.
Phase 9: Departure	25 Oct 24	Bus Departs for Drop-off point and Parents or guardians pick up cadets on Sunday afternoon.

SERVICE SUPPORT

1. Dress. The dress for this activity shall be:

- a) Cadets – appropriate civilian attire.
- b) Adult Staff
 - i. DND personnel are to wear appropriate civilian attire.
 - ii. CI/CV are to wear appropriate civilian attire.

2. Transportation:

- a) Cadets and Staff Deployment – staff and cadets will travel to and from the training location via school bus, pick up and drop off location at **Royal Canadian Legion Branch 459 located at 150 Mostar St, Whitchurch-Stouffville, ON L4A 0Y2 at 1640hrs, bus will leave promptly at 1700 hrs.**

3. Rations & Feeding: DND/SSC will provide all rations for this activity as follows:

- a) Dinner will be provided on the night of Feb 24, 2023, Breakfast will be provided on Feb 25, 2024
- b) AdmO of each unit for identifying cadets who have dietary restrictions – **the facility cannot guarantee a nut or allergy free environment, cadets with dietary restrictions may be required to bring their own food (there are refrigerators and microwaves onsite)**

4. Water

- a) There are ablution facilities on the footprint for cadets and staff to use that have potable water. In the field, a water buffalo will carry potable water that will fill jerry cans for cadets to fill water bottles. PLEASE HAVE CADETS BRING WATER BOTTLES.

5. Equipment:

- a) Canadian Heritage Museum will provide all necessary equipment for this activity.

6. Personal Equipment:

- a) Instructions details in the personal kit list.
- b) Be advised that the Crown will not accept responsibility for lost or stolen personal items. Cadets are cautioned to have their valuables clearly identified.

7. Accommodation:

- a) Staff and Senior Cadets will be staying inside the Canadian Warplane Heritage Museum
- b) Genders will be divided into separate groups for the exercise.

8. Hygiene

- a) Personal and environmental hygiene practices should be promoted all time during this exercise.
- b) Cadets will practice proper hand washing as required during the day and immediately prior to meals.

9. Medications

- a) Unit staff are responsible to secure and provide access to meds for their unit cadets when required. Cadets who require medical attention in the field will be moved out via a safety vehicle and taken to the appropriate venue. In an instance, this is the responsibility of the cadet's unit staff.

10. Smoking.

- a) There will be no smoking permitted at this activity.

11. Visitors

- a) Visitors, including parents and other spectators, are not permitted.

12. Medical & Emergency

- a) First Aid: Minor injuries will be brought to the attention of the OPI and be handled by First Aid trained personnel.
- b) First-Aid is to be handled on the scene.
- c) Personnel who are trained in First-Aid shall be identified on the day of the training and assigned as required;
- d) Emergency: Major injury response IAW the Emergency Response Plan
 - i. Emergency Medical assistance is located 14.8 km from Canadian Warplane Heritage Museum. Major injuries are to be brought to the immediate attention of the OIC of the Exercise and transported via EMS or designated emergency vehicle transport to Hamilton General Hospital.

13. Restricted and Out of Bounds Areas a) Out of Bound Areas include:

- a) All property outside the perimeter is shown with a red hatch on the Site Map **ANNEX D**.

14. Safety:

- a) Briefing: As part of training, cadets will be briefed as to dress requirements and safety protocol. This exercise will go ahead provided the weather is not so severe as to affect the safety and welfare of the cadets. If necessary, however, cadets will be returned home.
- b) Suspending Activities: Any member conducting an activity is authorized to temporarily suspend any activity for any reason in the interest of safety. The OIC will, as soon as practicable, evaluate the situation and determine if the cancellation of the activity or exercise warranted.
